## ABOUT ME

Elizabeth Schmidt is a Northern Colorado REALTOR® with The Group Real Estate, known for blending strategy, service, and community together for success. Having over 30 years in the IT industry and a Master's degree in Network Security, with extensive experience in project management, software development, and business analysis, she gives her clients a strategic edge through clear communication, organization, and forward-thinking solutions.

Since becoming a REALTOR® in August 2023, Elizabeth has been actively involved with the Fort Collins Board of REALTORS®, serving on nearly every committee. She is especially passionate about the Rookie Club and Community Outreach, where she supports new agents and supports the community.

Elizabeth is the founder of Rafiki ya Education, a nonprofit that provides desks and helps fund teacher salaries in overcrowded schools in Tanzania. She is also launching the Tanzanian

Tastings book series, with proceeds benefiting the nonprofit's mission. Locally, she is developing Knowing NOCO, a magazine and digital platform designed to help newcomers explore the Northern Colorado lifestyle through local events, neighborhood highlights, and opportunities to get involved.

She serves on the board of Group Gives, supporting local organizations that help people remain in their homes through education, maintenance, and financial assistance. She is also the President and Owner of Tamiami Land Corp, overseeing commercial property leased to local businesses. Elizabeth brings a unique mix of tech-savvy experience, heart for service, and professional dedication. She is a trusted advocate and a growing leader in the Northern Colorado real estate and nonprofit communities.
